All interested members of the community are invited to participate in sharing their ideas for the future Veterans / Armed Forces Reflection Area at Central Park. This area of reflection will provide opportunity for visitors to individually and privately reflect on those who have honorably served in the armed forces, learn about the country's major wars/conflicts and honor the branches of the armed forces. To assist in our planning efforts, please RSVP!

To RSVP or for more information, please call (909) 477-2780, ext. 8003.
